# Government's Bounty on Your Life: Hospitals' Incentive Payments for COVID-19 are About \$100K per COVID Patient

Editor, Health Impact News

Elizabeth Lee Vliet, M.D. and Ali Shultz, J.D. have just written a report documenting how much hospitals make when a patient is tested positive for COVID-19.

It is published on the Association of American Physicians and Surgeons (AAPS) [website](#).

While the authors correctly report that most of this funding comes from [The CARES Act](#), which was passed in early 2020 during the Trump administration, and which was also used to fund Operation Warp Speed, for some reason they chose to blame Biden for this in their headline.

For sure Biden has continued the policies and even made things worse by mandating the deadly COVID-19 shots, but I think it is counter-productive to make this a partisan issue.

These politicians are just puppets for the Corporate Globalists who are clearly making public policy now and calling the shots via these puppet politicians.

Real change will not happen in the U.S. simply by voting for someone different for public office and changing political parties.

Real change will only come when the criminals, such as anyone who is invested in Pfizer and owns stock in that company, is arrested and tried for Crimes Against Humanity, and if convicted by a jury of their peers, executed publicly.

The politicians are most certainly complicit, and should be tried, convicted, and executed also, but they are not the ones calling the shots.

## Biden's Bounty on Your Life: Hospitals' Incentive Payments for COVID-19

By Elizabeth Lee Vliet, M.D. and Ali Shultz, J.D. – <https://www.truthforhealth.org/AAPSONline.org>

Upon admission to a once-trusted hospital, American patients with COVID-19 become virtual prisoners, subjected to a [rigid treatment protocol](#) with roots in Ezekiel Emanuel's "Complete Lives System" for rationing medical care in those over age 50. They have a shockingly high mortality rate. How and why is this happening, and what can be done about it?

Deaths After COVID-19 Vaccines

As [exposed in audio recordings](#), hospital executives in Arizona admitted meeting several times a week to *lower* standards of care, with coordinated restrictions on visitation rights. Most COVID-19 patients' families are deliberately kept in the dark about what is really being done to their loved ones.

The combination that enables this tragic and avoidable loss of hundreds of thousands of lives includes (1) The [CARES Act](#), which provides hospitals with bonus incentive payments for all things related to COVID-19 (testing, diagnosing, admitting to hospital, use of remdesivir and ventilators, reporting COVID-19 deaths, and vaccinations) and (2) [waivers of customary and long-standing patient rights](#) by the Centers for Medicare and Medicaid Services (CMS).

In 2020, the [Texas Hospital Association](#) submitted requests for waivers to CMS. According to Texas attorney Jerr Ward,

"CMS has granted 'waivers' of federal law regarding patient rights. Specifically, CMS purports to allow hospitals to [violate the rights of patients](#) or their surrogates with regard to medical record access, to have patient visitation, and to be free from seclusion."

She notes that "rights do not come from the hospital or CMS and cannot be waived, as that is the antithesis of a 'right.' The purported waivers are meant to isolate and gain total control over the patient and to deny patient and patient's decision-maker the ability to exercise informed consent."

Creating a "National Pandemic Emergency" provided justification for such sweeping actions that override individual physician medical decision-making and patients' rights.

The CARES Act provides incentives for hospitals to use treatments dictated solely by the federal government under the auspices of the NIH. These "bounties" must be paid back if not "earned" by making the COVID-19 diagnosis and following the COVID-19 protocol.

The hospital payments include:

- A "free" *required* PCR test in the Emergency Room or upon admission for every patient, with government-paid fee to hospital.
- Added bonus payment for each positive COVID-19 diagnosis.
- Another bonus for a COVID-19 admission to the hospital.
- A 20 percent "boost" bonus payment from Medicare on the *entire hospital bill* for use of remdesivir instead of medicines such as Ivermectin.
- Another and larger bonus payment to the hospital if a COVID-19 patient is mechanically ventilated.
- More money to the hospital if cause of death is listed as COVID-19, even if patient did not die directly of COVID-19.
- A COVID-19 diagnosis also provides extra payments to coroners.

CMS implemented "value-based" payment programs that track data such as how many workers at a healthcare facility receive a COVID-19 vaccine. Now we see why many hospitals implemented COVID-19 vaccine mandates. They are paid more.

Outside hospitals, physician MIPS quality metrics link doctors' income to performance-based pay for treating patients with COVID-19 EUA drugs. Failure to report information to CMS can cost the physician 4% of reimbursement.

Because of obfuscation with medical coding and legal jargon, we cannot be certain of the actual amount each hospital receives per COVID-19 patient. But Attorney Thomas Renz and CMS whistleblowers have calculated a total payment of **at least \$100,000 per patient**.

What does this mean for your health and safety as a patient in the hospital?

There are deaths from the government-directed COVID treatments. For remdesivir, studies show that 71–75 percent of patients suffer an adverse effect, and the drug often had to be stopped after five to ten days because of these effects, such as kidney and liver damage, and death.

Remdesivir trials during the 2018 [West African Ebola outbreak](#) had to be discontinued because *death rate exceeded 50%*. Yet, in 2020, Anthony Fauci directed that remdesivir was to be the drug hospitals use to treat COVID-19, even when the COVID clinical trials of remdesivir showed similar adverse effects.

In ventilated patients, the death toll is staggering. A National Library of Medicine January 2021 report of 69 studies involving more than 57,000 patients concluded that fatality rates were 45 percent in COVID-19 patients receiving invasive mechanical ventilation, increasing to 84 percent in older patients.

Renz announced at a [Truth for Health Foundation Press Conference](#) that CMS data showed that in Texas hospitals, 84.9% percent of all patients died after more than 96 hours on a ventilator.

Then there are deaths from restrictions on effective treatments for hospitalized patients. Renz and a team of data analysts have estimated that more than 800,000 deaths in America's hospitals, in COVID-19 and other patients, have been caused by approaches restricting fluids, nutrition, antibiotics, effective antivirals, anti-inflammatories, and therapeutic doses of anti-coagulants.

We now see government-dictated medical care at its worst in our history since the [federal government mandated](#) these ineffective and dangerous treatments for COVID-19, and then *created financial incentives* for hospitals and doctors to use only those "approved" (and paid for) approaches.

Our formerly trusted medical community of hospitals and hospital-employed medical staff have effectively become "bounty hunters" for *your life*. Patients need to now take unprecedented [steps to avoid going into the hospital](#) for COVID-19.

Patients need to take active steps to plan before getting sick to use [early home-based treatment of COVID-19](#) that can help you *save your life*.

**Dr. Andrew Moulden:  
Every Vaccine  
Produces Harm**

Canadian physician Dr. Andrew Moulden provided clear scientific evidence to prove that every dose of vaccine given to a child or an adult produces harm. The truth that he uncovered was rejected by the conventional medical system and the pharmaceutical industry. Nevertheless, his warning and his message to America remains as a solid legacy of the man who stood up against big pharma and their program to vaccinate every person on the Earth.

Dr. Moulden died unexpectedly in November of 2013 at age 49.

Because of the strong opposition from big pharma concerning Dr. Moulden's research, we became concerned that the name of this brilliant researcher and his life's work had nearly been deleted from the internet. His reputation was being disparaged, and his message of warning and hope was being distorted and buried without a tombstone. This book summarizes his teaching and is a must-read for everyone who wants to learn the "other-side" of the vaccine debate that the mainstream media routinely censors.

There's no test for Covid except a chest x-ray which would show blood clots in the lungs. Putting them on ventilators accelerates their death because of the bleeding in the lungs. We all need to stay away from hospitals. They are torture and death camps now.
